

# KRON 4D

KRON 4D is inspired by an exquisite natural stone, with a neutral background whose crisscrossing fine white veins guarantee a unique stylish elegance.

The collection comes in a choice of two different shades of grey: Gray, which is perfect to create restful settings, and Charcoal, a darker option for spaces with added personality. The collection comes in a 100x275 cm format in a Natural finish.

KRON 4D se inspira en una exquisita piedra natural, en la cual se entrecruzan finas vetas blancas sobre su fondo neutro, que aportan un estilo único y elegante.

Su gama cromática se compone de dos tonos grises. Gray, un tono claro perfecto para crear espacios calmados, y Charcoal, una opción que aporta mayor carácter gracias a su intensidad de negro. La colección se presenta en 100x275 cm, en acabado Natural.
